

LAST SUMMER WE EXPANDED TO INCLUDE THREES

THREES are now a part of our Summer Fun program! It is slightly modified and we hope it fits your summer schedule.

Our THREES will have their own room, and activities will follow our theme weeks, with lots of flexibility for what the class needs. This class will **not** swim in the pool but will have cooling activities, including water play. Expect a quiet, busy, child centered, learning environment, tailored to our youngest campers.
