Experience the Brentwood SUMMER FUN difference!

Our children enjoy a quality camp with low ratios and professional staff. Academic activities and play blend easily as children experience art, music, sports, crafts, science, literature, swimming and more. Divided by ages, children enjoy bright, well-equipped classrooms and large, shaded playgrounds. Programming is available for children preschool age (entering a three year old class and potty trained) to rising 6th graders. To reserve your space, return the completed registration form and deposit. To assure quality programs, all classes have limited enrollment and will be enrolled on a first-come basis.
